FACILITIES

Our Science Park campus (opened Oct 2007) has modern, well-equipped classrooms. All classrooms and labs contain an overhead LCD projector and each teacher is assigned a MacBook Pro for school and/or home use. The Science Park campus is a 1:1 laptop learning environment where each student owns a MacBook Pro. Our large Grade 6-12 library has great facilities for reading and research and has a staff of three. AISG has a double gymnasium, a full size grass playing pitch, outdoor rock climbing wall, and fitness center.

TECHNOLOGY EMPLOYED

All MS and HS students are in a 1:1 Mac laptop learning environment and teachers integrate the ISTE NET Standards into their curriculum with the support of the technology facilitator. Technology is integrated where appropriate to support and enhance 21st Century learning.

- Office 365 (school email, calendar social media and notebooks)
- Veracross (grading and reporting)
- Atlas Rubicon (curriculum articulation)

OTHER

The school has a large co-curricular activities program and all teachers play a full and active role in leading activities. The expectation is that all teachers will offer at least one after-school activity (ASA) during the year. The activity should be one of our existing activities or one that enhances our ASA program.

All teachers participate in annual China Trips, a 4-5 day experiential learning experience outside Guangzhou. Advisory/Homeroom teachers (0.5 class equivalent) assist with the supervision of study periods, set homeroom activities, and assist with the planning of China Trips.

Monday faculty meetings after school are used for grade level, divisional full faculty, or departmental meetings and PD.

EXPERIENCE AND QUALIFICATIONS

- Bachelor's degree or higher; teaching certification valued;
